Divisions

Texas Association for Assessment in Counseling (TAAC) - promotes research, development, technical competency and ethical practices for measurement and evaluation in counseling.

Texas Association for Adult Development and Aging (TAADA) - promotes resources and leadership on the development process of adults through the life span and the problems of aging.

Texas Association for Counselor Education and Supervision (TACES) - promotes the preparation of professional counselors through accreditation, certification, supervision and professional development.

Texas Association for Lesbian, Gay, Bisexual and Transgender Issues in Counseling (TALGBTIC) - promotes tolerance and non-threatening counseling environments that support the unique needs of clients and reduce stereotypical thinking and prejudice.

Texas Association for Humanistic Education and Development (TAHEAD) - promotes human development practices that emphasize education of the whole person and instructional strategies that foster humanistic approaches.

Texas Association for Marriage and Family Counselors (TAMFC) - promotes issues, interests and the delivery of services in the area of marriage and family therapy, divorce counseling and mediation.

Texas College Counselors Association (TCCA) - promotes college counseling programs that foster student development, support ethical practices and encourage cooperation within higher education.

Texas Career Development Association (TCDA) - promotes a greater understanding of the meaning of work; fosters career development over the life span; and establishes standards of professional service in the field of career development.

Texas Association for Multicultural Counseling and Development (TexAMCD) - promotes the understanding and appreciation of ethnic, racial and cultural diversity; human and civil rights, and multicultural counseling.

Texas Mental Health Counselors Association (TMHCA) - promotes improvements to the availability and quality of mental health counseling services for professionals in private practice, agency, hospital, business and industrial settings.

Texas School Counselor Association (TSCA) - supporting counselors, strengthening students, promoting success; providing advocacy and best practice resources to empower school counselors to deliver comprehensive guidance and counseling programs which promote student success.

Texas Counselors for Social Justice (TxCSJ) - fosters optimal social, emotional, and cultural development with dignity for all individuals by actively promoting societal equity, access, participation, harmony, empowerment, and advocacy.
